- a. Picture of house.
- b. Picture of sample garage door.
- c. Windows must be hurricane proof.
- d. Decorative hardware is not permitted.
- e. See WT Standards for permissible styles of garage doors.

NOTICE TO HOMEOWNER

- Some modifications may be subject to applicable permits. Obtaining a permit is the sole responsibility of the homeowner and not the HOA. Investigation of all contractors, licenses and insurance are the responsibility of the homeowner. The HOA will not be held responsible for contractors hired by homeowner.
- All approvals granted are based on aesthetic point of view and does not constitute an approval from an engineering/structural point of view. Members of the ARB Committee or the Board of Directors will not be held liable to the Association, any homeowner or applicant, or any other person arising out of, related to, the performance of the ARB's duties of review.
- Any modifications, additions or deletions made to the attached plans after approval will void any approval granted and require a new application to be submitted and reviewed. The board has the right to ask homeowner to revert to original plan at the homeowner's cost.
- **All work must be commenced within 90 days and completed within 180 days from the date of the signed approval. All approvals are void after 180 days if the work is not completed. This does not apply to any violation resolutions.**
- Access to areas of construction may only be allowed through your property. No permission is granted to access your property across common areas or neighboring lots. Any damaged caused to non-homeowner property must be restored immediately.
- All neighborhood Villages within Winston Trails have their own architectural standards which must be adhered to gain final approval.

I hereby submit this application to the Winston Trails Architectural Committee/Board for review. I acknowledge that all parties have the right to approve or deny any application based on their judgement. I agree to abide by the decision of the Committee/Board.
