MAKE CHECKS PAYABLE TO: WINSTON TRAILS FOUNDATION

This bar code label is issued to a vehicle owned by the Winston Trails Property Owner or properly registered resident or tenant as listed above. I agree to immediately notify Winston Trails Foundation if for any reason this vehicle is not my primary vehicle or if I sell the vehicle. **The assigned bar code label may NOT be transferred** or removed from the vehicle for any reason. The use of the assigned bar code label for any other vehicle will result in immediate de-activation without any written warning. In addition, I understand that should the property owner's account become past due over 90 days this bar code label will be deactivated without additional notice. Bar code labels issued to tenants will deactivate on the lease expiration date. **Issuance of a bar code label does NOT authorize a vehicle to be parked on the property if it is required to be parked within an enclosed garage.** Property Owners are required to update their gate information and verify the bar code labels periodically. All bar code labels will expire within five years from the date of issue if not sooner.
