Exteriors of Units. Each Owner shall maintain all structures (including the Unit) located on his Lot in a neat, orderly and attractive manner and consistent with the general appearance of the Properties as a whole. The minimum (though not the sole) standard for the foregoing shall be consistency with the general appearance of the Properties and Winston Trails as initially constructed and otherwise improved by Developer or by any other builders who build in accordance with plans approved by developer (taking into account, however, normal weathering and fading of exterior finishes, but not to the point of unsightliness, and in the judgment of the architectural Control Board or its equivalent having jurisdiction over The Properties). Each Owner shall repaint or restrain, as appropriate, the exterior portions of his Unit ~~(with the same colors as initially used on the Unit)~~ as often as is necessary to comply with the foregoing standards.
